

You Didn't Get the Memo?

Contributed by Christopher Price
Thursday, 10 August 2006

A lot of people have asked us what happened to our T-Mobile and Verizon Quarter Reports. To be honest, we weren't happy with the quality of them, and in the process of getting better intel, other stories took precedence in getting proper coverage. We hope to have them out within the next week, and promise the latest and best info possible.
